### ***Final song:***

Just when you are feeling  
Lonely and sad,  
Something can happen  
To make you feel glad!

Try not to worry  
When things don't go right –  
Just wait for a while,  
It will all be all right!

Life's full of surprises,  
Believe me, it's true!  
You just never know,  
What will happen to you!

Just keep on smiling –  
You'll feel good again.  
Remember that rainbows  
Come after the rain!
